

THE FINEST CARE FOR YOUR MARE

TAMARANG VETERINARY BREEDING SERVICES is an equine breeding centre that prides itself on the personal approach offered by its highly qualified veterinarians Dr John Chopin and Dr Jim Rodger. The breeding centre is located south of Tamworth at 'Tamarang' – also home to leading performance sires Acres Destiny, Tassa Lena, Whos Top Cat, A Pink Panther and Smart Little Lena – D (Salute).

Tamarang Veterinary Breeding Services provides a unique opportunity for mare owners to receive premium breeding services and on-hand personal attention for their mares, including access to large areas of some of the finest horse country in Australia.

EQUINE REPRODUCTION SPECIALISTS

Under the care of registered equine reproduction specialists Dr John Chopin and Dr Jim Rodger, Tamarang Veterinary Breeding Services provides the following services:

- Full time veterinarian based at 'Tamarang'
